You are the driver of that personal taxi, right ?
Amazing considering your age.
My cousin is a cab driver as well, but he still uses his company cab.
I may look young but I am pretty old, sir
Traffic news. There has been a car accident on the SeongSu bridge. Warning slow traffic.
Still, I hear one has to have no accident record to earn the right.
How long have you been
— Where is a drugstore around here ?
Please be aware of the situation when you are heading to the bridge.
Traffic flow is mild to inch'on.

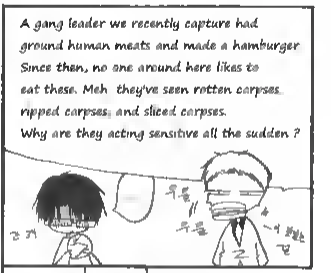
Prosecuter Lee ..

Got it from the fastfood store right outside Shrimp or Galbi ?
Thank you
No ! I should thank you No one here likes these.



A gang leader we recently capture had ground human meats and made a hamburger Since then, no one around here likes to eat these. Meh they've seen rotten corpses. ripped corpses, and sliced corpses. Why are they acting sensitive all the sudden ?

Go home now.

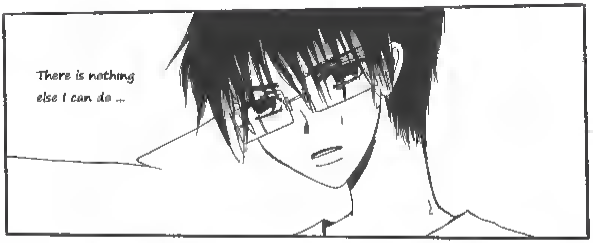
I know how you are feeling

But there is nothing you can do at this point.

We will catch him.

We will look after the suspect's mother
You go home, wash your face and get some sleep
.. That mister ..
He has a soft face but is pretty harsh huh.
Guan Uoo !
To be honest you are nothing more than a burden for now
YO!!
성심병원

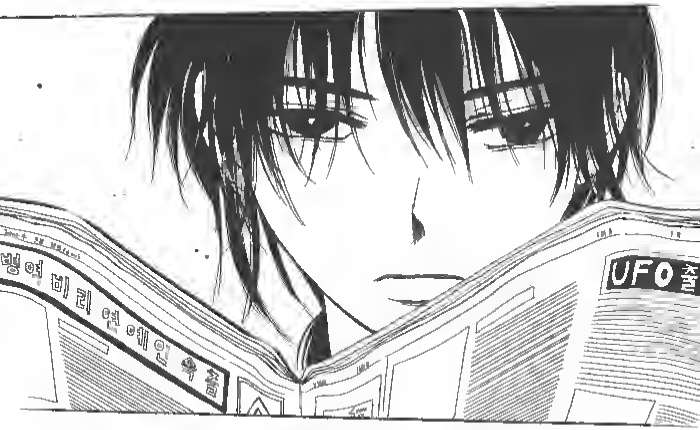
To xx city
God , why is it so hard to catch a cab ? What are you doing ? Go now
I am not working today
What ? Your taxi is empty and parked right by a street and you say you are not working ?!
I said I am not working.
Who cares ! Go now !!!
So you are going to stay hidden here ?
Yea
Well, it happened when he tried to reach his mother at the hospital. Do you think he will appear again ?
We've better hope so.
Hey !!! Go now ! GOOOOO !
God damn you, #@$ $%&$%@



There is nothing
else I can do ...

Hey !
Cheer up, dude.
He ...

And the guy next to him...

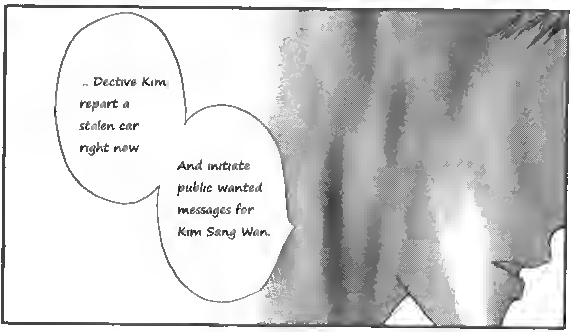


UFO

What are you doing ? I told you I'd buy you a meal
Guan Uso didn't the suspect Kim Sang Won, steal a black taxi ?
Could it be

No it was yellow.
Nothing ... I was being overly sensitive.
Let's go.
Yeah ?
What's wrong ?
So, sir, where did you say you were going ?

This is the taxi which Kim Sang Wan stole initially ! The victim's another taxi driver His taxi is not here !
.. So, he changed his car here



.. Dective Kim repart a stolen car right now
And initiate public wanted messages for Kim Sang Wan.

it is now a homicide case.

*Fubu : A brand

It's not a fake ...
Ohoh _
I know they are expensive !
You are a good guy !
Aren't you afraid of me ?
Well ?
You give me food on time. You buy me clothes. Having my wrists shackled is one disadvantage, but I don't get to go to school, so overall this is turning out to be pretty good
I feel like I've earned a benefactor

And this ...

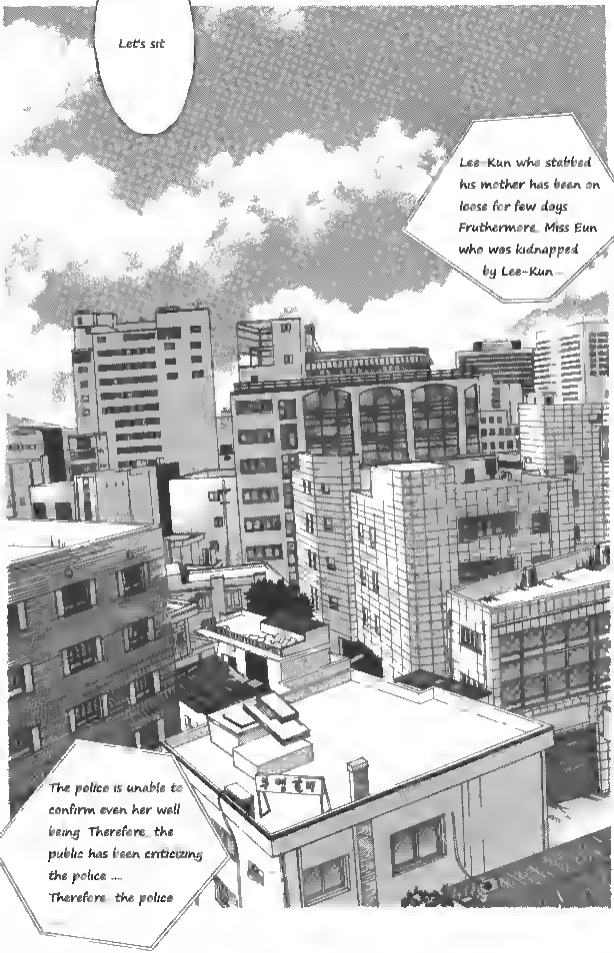
A good guy...

Do you know how to survive when kidnapped ?
That was sudden.
I read it from the internet. It was interesting
You aren't those main characters from movies and manga, so don't be a hero. It's pretty a realistic advice.
Eh ... Makes sense.
First of all. don't ever think that you are a holly-wood movie star
And the rest was similar
Don't stand against your kidnapper.
Eat well (I really liked this one.)
Don't give up hope.
Flatter, be a friend with your kidnapper
Try to stay on ground since cops sometimes can't distinguish who is who
In other words you are on your own.
In other words get along with your kidnapper
Well yeah
They are also humans after all

But the survival rate will go up...
Not many will try to kill a useful dog after all
Well, no matter One may be acting to be a pet dog, but we can't be dogs.
And

What's there to worry ? Your prince will rescue you ~
Ui Moon... that was... so gross and greasy.
I understand... "Prince"
But please don't be too late.
If you are too late, the princess will escape on her own and marry another prince in a neighboring region.

Lee-Kun who was being wanted for an attempted murder has become a prime suspect for a murder case of a taxi driver ..
Yo !
Lee Kun is currently on loose.
The police is having a hard time tracking him down.
Say hello This is the guy
Nice to meet you
Don't be police. We are same age.
God this country is small indeed. You are Cheon-Po's friend ?



Let's sit
Lee-Kun who stabbed his mother has been on loose for few days Fruthermore, Miss Eun who was kidnapped by Lee-Kun...
The police is unable to confirm even her well being. Therefore, the public has been criticizing the police ... Therefore, the police

I see.

So I can't even get information from the police anymore. Will you help me ?
Of course !

Thanks.
I have had really no other way since then.
Thanks again.
Are you Yuu Song Pil ?
Uh Moon ... !
Sir, please, it won't take long
This is not good. This is a restricted area !
I heard you are Lee Sang Won's friend. I'd like to talk to you
This is a cop ?
No
Then I am done right ?
Please wait !
I have nothing more to say !
What ?!
Please, wait !
Please !
Wait !
I was abused by a lot of cops and news reporters on that day. I simply thought you were one of those.
우적우적

When I heard the full story from Cheon Po, I felt sorry
No I am sorry I was being too hasty
hey, stop .. You are making me even more sorry
Cheon Po quit eating and say something
I am hungry ! I haven't had anything to eat until now because I've been fighting my father
Eh ... you are still living like that even now ?
What kind of person is he ?
So, this person, Lee Sang Won, ...

Who is that ? I've never heard of that name
Hey ! You were summoned by the police to provide information on him !
Yes, I did But I've never heard of that name
The guy I knew about went by Lee Hyeong Jin.
Lee ... Hyeong Jin ?

He's asleep
Heh ... this is my first time seeing him sleep
He always slept after me and woke up earlier than me.

I guess I shouldn't jump on him now I will probably lose.
I should have learned some fighting skills off Chon Ra.
Is this really a face of a murderer ?
I wanna rape him ...
What the hell am I doing here ?

Being a hostage is not good for mental health. Should I just escape ?

ZOOM
ZOOM

I had a chance to know him at a horse race track.

He was well known at the track for picking correct winning horses. He looked kind of gloomy and dark, but he was alright
You have no idea how shocked I was when I saw the wanted poster I didn't see him for few days and look what he has done !
I wouldn't have reported myself in otherwise.
Hold on a sec ! Horse race track ?! You mean betting ?!
Gambling !
Hey, watch what you say it's sports.
Especially when your ticket secres ...
Underage kids are not allow -ed.
Cheon Fa ?! What do you think you are doing ... I mean you are else ...
Fighting is a form of communication ! What you are doing is gambling which can ruin one's wallet !
F- fine ! I .. won't do it again, I swear !
Cheon Fa .. You are not that far off, either
Anyway, the guy I used to know was a quiet, yet scary guy. He used to tell me that he'd come to the tracks only when he felt like killing someone.
When I saw him lose his control, he became extremely violent Furthermore, he was very secretive.

Now that he has kidnapped someone and murdered someone ... I don't want to believe that this is happening, but it is. If anyone knew what he is going to do next, it would be God himself. If he really did those deeds, that means he's on edge.
I just hope that the girl, Miyo Ryeong, is a quiet girl.

Because that is probably the only way to ensure her safety as well as survival

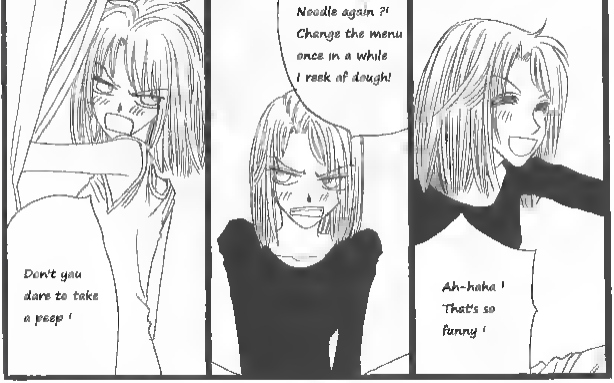
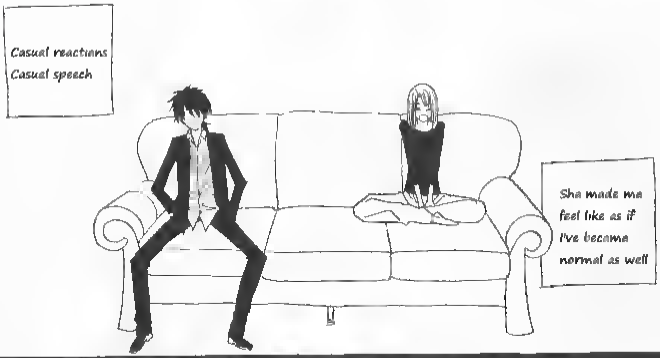
Hey, Kilde ~
Which way is to town ?
This girl is too bothersome.

Hey, get some water.
I have no water to wash face, teeth, and more.
...
My hair is covered with oil. Unless you plan to run a Nazi prison, at least let me take showers or something!
She acts very bluntly and reacts strongly is this really a girl who has been kidnapped?



Don't you dare to take a peep !
Needle again ?! Change the menu once in a while ! reek of dough!
Ah-haha ! That's so funny !



Casual reactions Casual speech
She made me feel like as if I've became normal as well

But ...

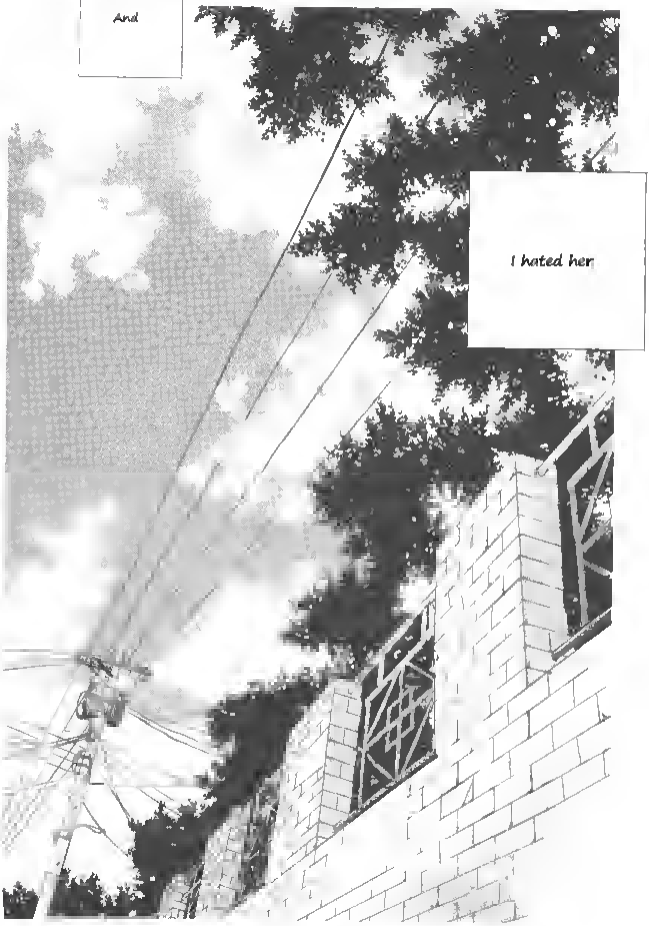
Would you tell me how I could reach a town or a village ?
In the end, even she has run away

You are the same as that bitch !

... You are going to be late?
What about meals ?
I will buy something
Don't wont for me.
Come home for dinner
Fast food is not good for you
Maybe. I should make
you lunch boxes or some-
thing
Then I will give you
some more money
Don't eat noodles
Get yourself some
meats
I don't want to
carry lunch box
with me.

I am leaving.
Pitiful woman.

I pitied my mother



And
I hated her

Uncatchable mirages -
Endless emptiness -
Unstoppable rage -

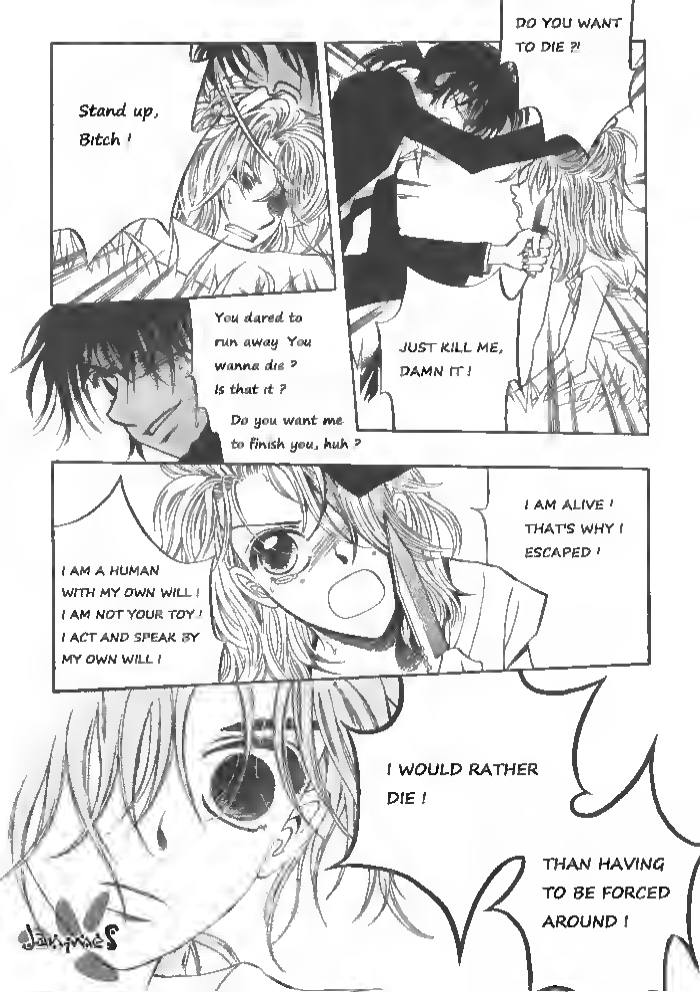
Then, destroy it

If I am never be able to catch it,
destroy it so that no one else will catch it.

Destroy it !!!

What's wrong ?!
Kkyaaaaack !
Help ! Father ! Help !
Father ! over here !
Come !
탁탁탁
Stop fooling around !
What ? You seem fine. I thought you were going to get water
Father ..it's serious !
Some man was trying to kill a pretty sister with a knife !
What ?!
Father ? You must help her !
W, wait ... I must inform the police first ...
H, hello ? Yes, I saw a man with a knife ..

W, wait ...
Kkyaack !
Slow down
Get up

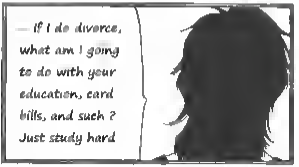


DO YOU WANT TO DIE ?!
Stand up, Bitch !
JUST KILL ME, DAMN IT !
You dared to run away You wanna die ? Is that it ?
Do you want me to finish you, huh ?
I AM ALIVE ! THAT'S WHY I ESCAPED !
I AM A HUMAN WITH MY OWN WILL ! I AM NOT YOUR TOY ! I ACT AND SPEAK BY MY OWN WILL !
I WOULD RATHER DIE !
THAN HAVING TO BE FORCED AROUND !

.. How can you call yourself a human ?

Are you hungry? Let me make you dinner
Even a dog fights back when beaten. Don't you have any kind of pride ?

JUST DIVORCE HIM !
Just sit down. I've made your favorite, soy bean soup



— If I do divorce, what am I going to do with your education, card bills, and such ? Just study hard

I don't care about getting into an university ! I will earn money..so leave the bastard !
Stop doing this You are making this too hard ! And that's no way to address your father
And... your father ... isn't that bad... He just... had a ... bad drinking... habit... He is... a pitiful man.
So...
Then, end your life.
Sang Won !
Yes, mother Die.
That'd be better than
being a human doll.

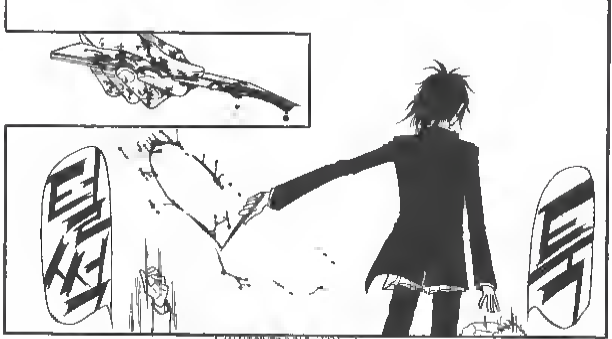
Alive, huh ...
That was what you thought, right, mom ?
Then prove
What ?

You run, and I catch. I am not gonna let you go, so there is only one way to end this.
Either you die.
Or I die.
Now, make your choice.

Why is he saying this ?
Whose heart will you stop ?

Why would he leave his life to me ?
Why would he make such a face ?

So, you didn't actually see anyone. Maybe.. your child is wrong
!!
No, they were going this way !
I heard something ...
Ah ?
Young man did you see ..



Now ... what do you say ..

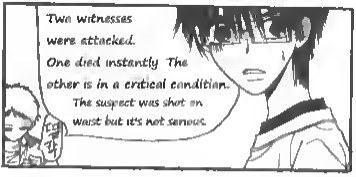
Will you kill or be killed ?

Ah ... ?
NOW !
I am the police !
Raise your hands !
Drop your weapon and surrender !
Kkyack !

Kkyaaaaaa
Sir !
I heard Myo Myeong has been found ?!
Ui Moon ?
How did you know
So? How is she ?
Is she alive ?
Is she well ?
Say something !
She is well
I was going to call you
Please convince her
Eh ?

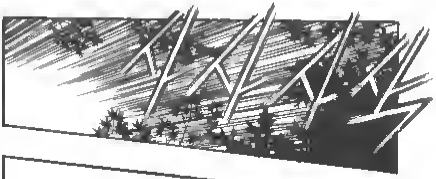
She is currently hiding with the suspect
What are you talking about ? Why would she ...

Then she gained him and carried him into that building.

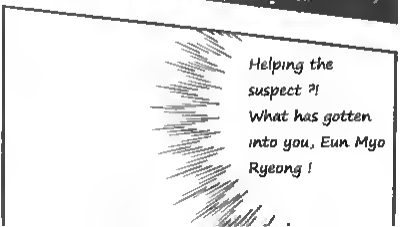


Two witnessas were attacked. One died instantly. The other is in a critical condition. The suspect was shot on waist but it's not serious.

I hate Stockholm Syndrome so please convince your girlfriend.



Gone already



Helping the suspect ?! What has gotten into you, Eun Myo Ryeong !

Fool ! Get a hold of yourself ! This place is now surrounded by the police !
How could you pass out by just getting shot ? Come on !
If you die. I will just hand you over to the police.
Damn it ! Why am I helping this guy ?!
Shut up Go away

Good God that's all you can say to
Someone who saved you ? Can't you at least say "Thanks" ?
Meh. I guess I shouldn't expect compensation from a murderer
Krr ..
Compensation ... ?
I could kill you right here right now

Stop ! That is your father !
In what sense is this fucking bastard a father?
Just because you give birth to a child, that doesn't make you a parent !
Treating your child like a dog or a pig DOES NOT MAKE YOU A PARENT !
WHENEVER THIS BASTARD DRINIKS, HE BEATS HIS OWN CHILD AND OWNN WIFE !!
DURING WINTER, HE KICKED US OUT OF HOME !
NAKED !
AND BEAT US WITH A CLUB !
I AM GONNA KILL THIS FUCKING BASTARD AND KILL MYSELF !
HE DOESN'T DESERVE TO LIVE !

DIE, DIE, DIE, DIE
DIE, DIE, DIE !!!
DIE !!!
DIE !!!

Never gave me a chance ...
You held on for 30 years like a mentally disabled bitch
Why ... ? You held on for 30 years.

WHY ACT NOW !!!
You crazed bastard !
What do you think
you are doing to
Myo Ryeong ?!

Myo Ryeong is not your mother !
Your mother passed away !
Just how many times do you want to kill your mother ?!
Passed .. away ?
Yes, she died last evening
cough *Cough* Ui Moon ?? How did you get here ?
How ?! It's all because of you !
I was told that you had a chance to escape ! Why in the world did you return to this madman ?! Having you kidnapped was bad enough ! When I saw you being strangled ...

Damn it !
Do you think you have 15 lives or something?
Eun Myo Ryeong !
Eun Myo Ryeong !
Eun Myo Ryeong !
What the hell do you expect me to do ?!
Damn it ...
You have no idea how much ! ...
Ui Moon
Sorry I am sorry

There you are, Kim Sang Wan ! You have the right to remain silent. You have the right to have an attorney present during –
Call an ambulance !
You bastard ! Your mother had done nothing wrong ! If you wanted to kill, you should have went for your father only !
.. Don't kill ..
What ?
Bleeding .., mom said ..
Not father – Anyone but not father ..
Mom said ...

That's not what happened
Really ...

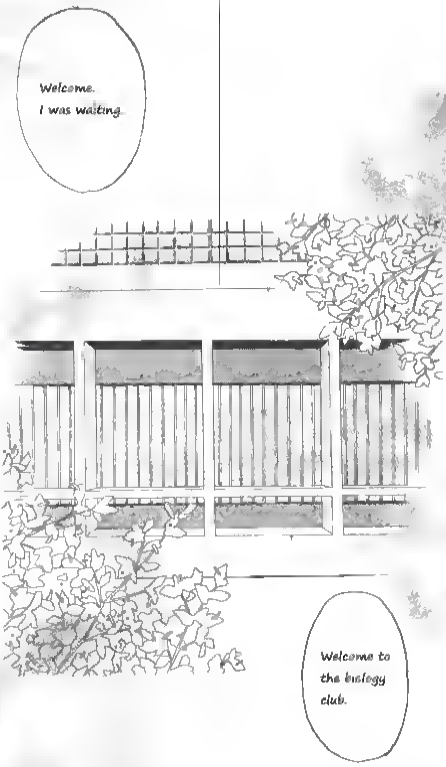
My, God !
He jumped off here !
Let's go down !
— I am not going to apologize.

And I am not going to ask why you did what you did
I won't have any regrets
My mother chose to run away rather than committing suicide
I hated my mother for that ...
But I couldn't simply hate her truly ...

Feel ... he didn't have to kill himself
To find a place to run away to
And, no, you don't need to apologize.
I just ... I simply felt that he could have been saved
아 아 아 아 !
I was a fool

Look who is here !
Oh !
Long time no see !
Classes ?
Skipping today
I've got a great guy.
This guy ? He's my rival. He's after the same guy.
...She has the exact same taste in men as I do.
What are you talking about ? Get away from me ! People think we are a couple and no guy approaches me
That's my line ! Change your taste !
You are the gay one ! Why should I ?!
So? Normal is no different.

Him?
I haven't seen him. He's probably there.
That's where He always is.
"Nod"
"Nod"
What ?
He's not here. He's probably over you-know-where.
Anyway ! I've gotten a hold of a rare candy gum paper
Hehehe
Hehehe..
Hehehe.



Welcome.
I was waiting.
Welcome to the biology club.

Our eternal hero
Sa Cheon Pa ~

And the #1 student also
playgirl Geum Ban Ha

Now ! Shall we begin Murim high school meeting ?
Choose your partner please.

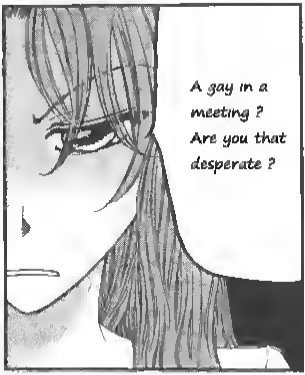
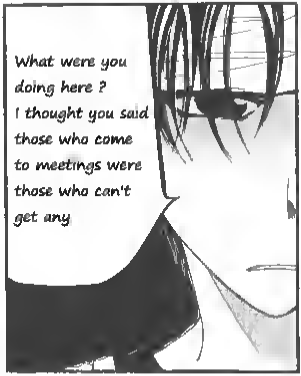
그들도 사랑을 한다

They, too, love, side story

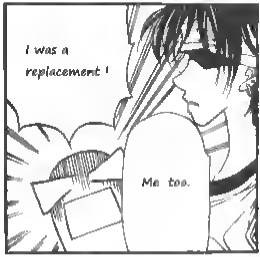
What is going on ?



A gay in a meeting ?
Are you that desperate ?



What were you doing here ?
I thought you said those who come to meetings were those who can't get any



I was a replacement !
Me too.

I was literally begged to come here and this is what happens ..
I can't believe I met a guy I knew at a meeting !
This sucks ! And I see this guy every day !
. So ?
Got a problem with that ?
Yes !

We must pretend that we don't know each other during this meeting Get it ?
Anyway ..
Of course. I am not going to hang out with a right friend (?) in a meeting like this.
Well then !
Good Luck!

I thought we were not going to play together
... I thought you were going to pretend that you didn't know me
I wouldn't have picked you if it weren't for those chicken girls
Their faces were covered with makeup, and their voice was so ... disgustingly high... and did you see how they tried to get close to me ?
Why did you pick me ?! This isn't one of those playful meetings in a class !
You picked me, too !
That's because of your sexuality
The guys in the meetings were beyond what I could take
I could take even a semi-decent looking guy, but the guys were like those ugly fat dudes who committed suicide by jumping off the 63 building
Ahaha... my poor fate...
*63 building
a 63 story building in Seoul

I need a (good-looking) guyyyy !
I ...
Hello the meeting ? Sucked. Don't ask.
Seonbae ?
Cheon Pa Seonbae ?
(Guyyyyyyy)

What a nice coincidence !
You really are, Cheon Pa seonbae !
Shin Moon Suk?
Ohhh, hey ! Long time no see How have you been doing ?
Well, it's the same everyday
I felt like going through here ...
Today is a lucky day
who ?
Ah a close friend of mine's subordinate.

He only looks older
Subordinate ? He looks older than that.
Geum Ban Ha, right ? Nice to meet you.
My name is Shin Moon Suck from Cho Rung middle school where the saenoe was from
Of course ! Everyone knows the mons... no, the genious Geum Ban Ha who hangs out with him.
Eh ? You know me ?
Everyone from my school knows.
Hehe ! This is how I survive !
Dude you are good at flattering as usual
So, what do you think ? He is the guy in the gang who I like the most ...

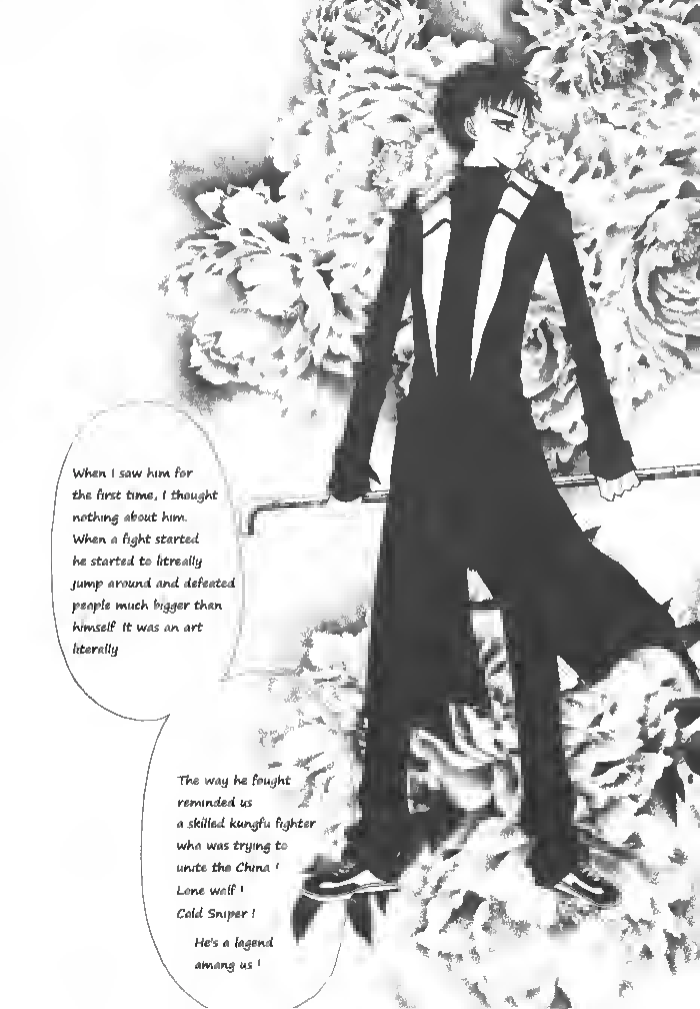
If you don't want to be eaten by her, don't approach her.
What?!
Hm?

What did you mean by that?! You made me sound like a snake!
Stop drooling. He's pure. Don't ruin him.

Are you two... in a relationship?

What part of our conversation indicates that we are a couple ?!
I'd reject this disgusting gay any time !
What ? Why use me all the time then you snake !
I am only playing with you !
— Good.
RRRR
Hello, it's me.
What ?
Are you sure ?
What was that just now ... ?

Didn't he just say "Good" ?
A gang from S high school has come. Time for some fun.
Should I call our guys ?
Guys I gotta go.
Eh ? Already ?
Don't bother ! Take Ban Ha home. I am going !
타타타
Well , he seemed really pleased.
It's hard to get used to. I mean he looks so skinny and weak, but he's a gang leader
Many have falled for that.



When I saw him for the first time, I thought nothing about him. When a fight started he started to litreally jump around and defeated people much bigger than himself. It was an art literally
The way he fought reminded us a skilled kungfu fighter who was trying to unite the China ! Lone wolf ! Cold Sniper !
He's a legend amang us !

비적
비적
What was more ! He was very kind to his gang and other allies !
Since that day I have been following him.
You... Gay ?
We are not .... ! I mean I am not .... I mean we are not in such a relationship .... It's ... just me !
칙칙
Uhhh, yeah ?

Geum Bon Ha _
You are so lucky that it's not even funny
Guys you think you could fall for are either taken or gays.
I am NOT !
You are not trusting me, are you ?
Ok, ok.
Bisexual
Funny guy
All that matters is that you stay true to your feelings
Who cares what others think ?

Chean Pa is a decent guy to earn such trust and I do know that.
The reason I am acting a little bitchy is. Let's say jealousy because I kind of like you.

Ban Ha Seonbae ...
You are actually a good person.
What .. ?! Who badmouthed me ?! I am just a genius !
They said you were a monster and a studying machine ..
My apologies. I am happy to see one who's the closest to my idol is just as cool.
I am moved. That's all
... You are not ?
How are you going to do your job as a gang-star like this ? Anyway, I am
Okay, okay. I didn't know he meant that much to you.
He's big but inside is just a kid. I see why Chae-ra told me not to mess him.
Not his lover. So, quit saying that.

We are just good friends
A man and a woman don't always have to be lovers to get along
Besides I know too much about him to be his lover
Still—you like him, don't you ?

Of course ~
He's Cheon Pa.

I hear Bon Ho is going out with a guy ?
With one of your guys who you introduced to her. How do you feel ?
How should I feel ? I feel nothing. It's their business.
Well, that was no fun.
I expected some sort of reaction. She liked you, you know.
What ? She liked you.
Bon Ho liked me ? Are you sure? Perhaps you are mistaken.
What ?! No way ?!
Poor Bon Ho, falling for such a dull guy ...
How you ever got Mye Ryeong ...., it amuses me.

But she was never looking at me.
How should I put this... I think she was trying to find someone else from others.
I thought that was you, Cheon Pa...
Anyway, she wasn't looking at me. That's for sure.

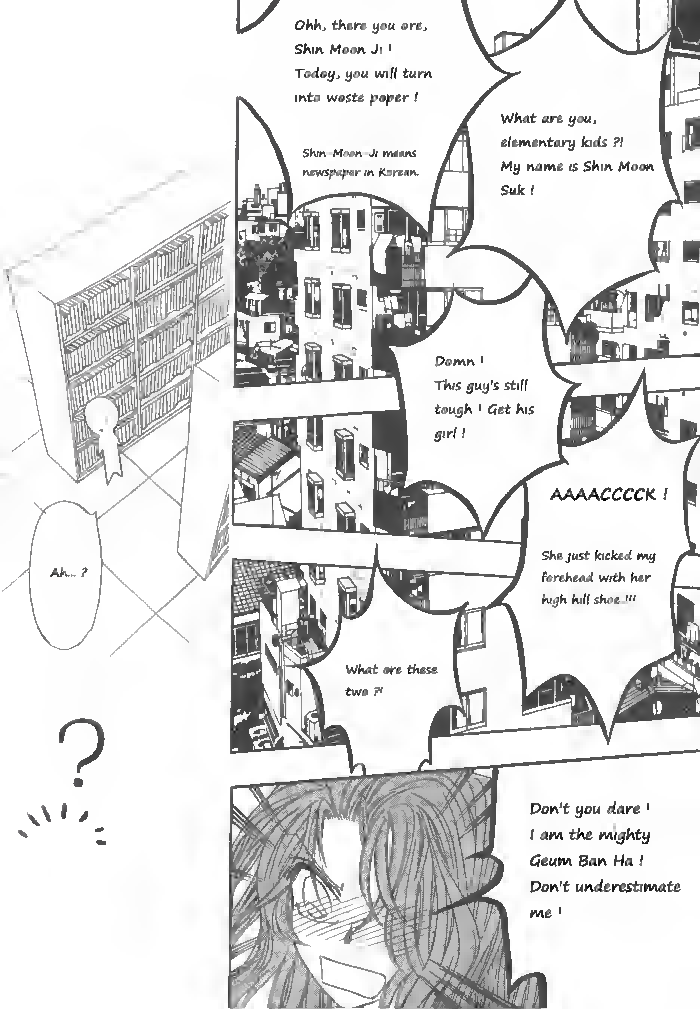
Uh Moon ...
He shouldn't have said that Now this is bothering me.
She liked me. And that was ages ago.
She likes me ?
Seriously ? He did kick his head with a high kick ? Did he die ?
If he was killed, seonbae would be in a prison now. His skull ruptured.

Huh ?
Geum Ban Ha ?!

What's wrong with gangsters nowadays ?
The world is changing Even gangsters need to study
... Chean Pa said that right ?
Yes ! So, we are even arganizing study groups
Chean Pa ... you are ruining the world of gangsters.
For your grade this will be better

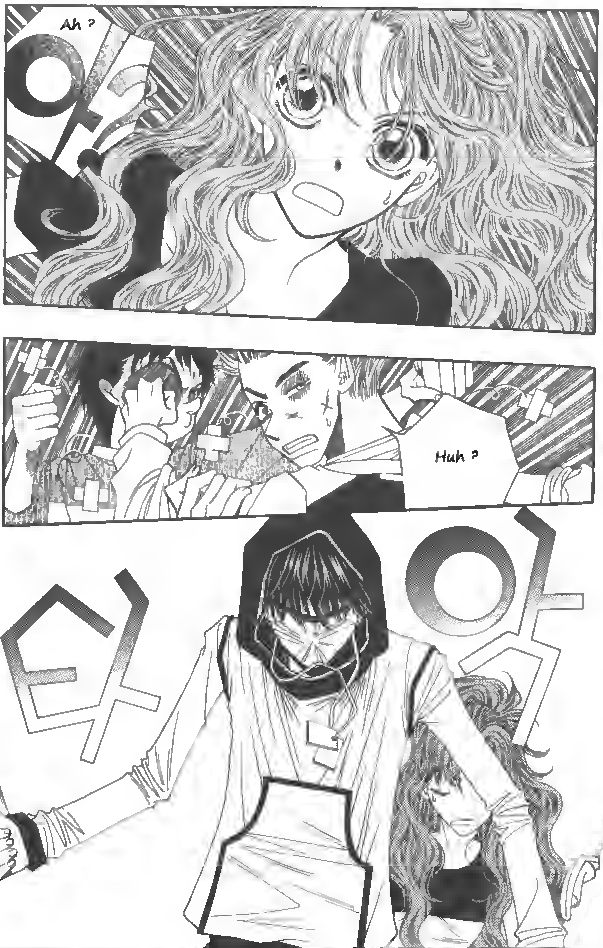
What am I doing ?
Why am I stalking her ?
Why should I even bother ?!

She may be hot and shiny now. But even few years ago, she was the study monster who had tied her hair with these yellow rubber bands and wore mom's pajama pants and jacket.
Even now I can declare that I dislike her ! Even if she were a guy, I would never like her !
But then why am I going after her now ?



Ohh, there you are, Shin Moon Ji !
Today, you will turn into waste paper !
Shin-Moon-Ji means newspaper in Korean.
What are you, elementary kids ?!
My name is Shin Moon Suk !
Damn !
This guy's still tough ! Get his girl !
AAAACCCCK !
She just kicked my forehead with her high hill shoe..!!!
What are these two ?!
Ah... ?
?
Don't you dare !
I am the mighty Geum Ban Ha !
Don't underestimate me !

BEEP
A masked man ?



Ah ?
Huh ?

You get to live only once.

If so, set it on FIRE !

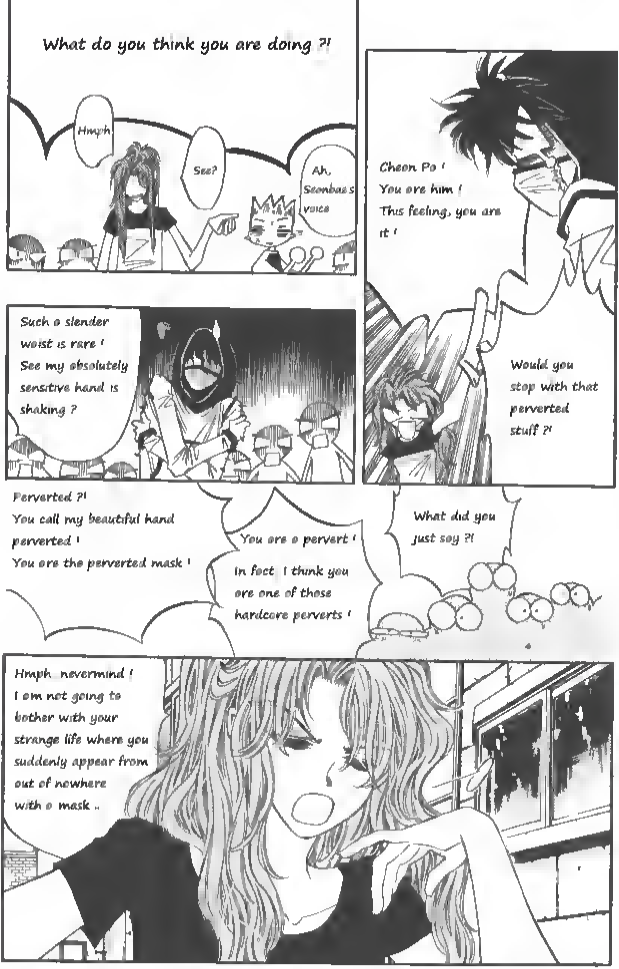
Eh?
What are you waiting for ?!
Run !

That voice ...
Cheon Pa !
Sa Cheon Pa !
휙
어!?

Cheon Pa ... of the Murim high school ?
The legendary gang leader of this area ?
But why the mask ?
He was literally flying around. I wondered who it was.

You are mistaken ... I am just a mere bypasser ...
Stop joking pervert mask. You can't change your voice with a mask.
And most of all -
This waist.
NONO



What do you think you are doing ?!
Hmph
See?
Ah, Seonbae's voice
Cheon Po ! You are him ! This feeling, you are it !
Would you stop with that perverted stuff ?!
Such a slender waist is rare ! See my absolutely sensitive hand is shaking ?
Perverted ?! You call my beautiful hand perverted ! You are the perverted mask !
You are a pervert ! In fact, I think you are one of these hardcore perverts !
What did you just say ?!
Hmph, nevermind ! I am not going to bother with your strange life where you suddenly appear from out of nowhere with a mask ..

Chen Fa ...
I just had a weird thought ...

Were you stalking me ?
I was not !
Why are you here then with a mask?
I have flu ... *cough*
NO !
Don't lie ! You wanted to know if I was serious about him !
Yeah .. very
... Hey they are ... pissing me off
What do they think they are doing in front of us, single guys ?

Eliminate the couple !
Single the best ! Single forever !
You guys were after Moon Suk !
WE ARE NOT A COUPLE !!!
How dare you that you do such stuff in front of us !
Singles, gather ! Find peace with destruction of couples ! Kill them !

Guys ! Get them ! Kill them !
Get the couple !
Boss, Sa Cheon Fo is among them !
No matter ! We outnumber them greatly !
Guys ! Show how miserable we are !
Kill those who have a girlfriend !
Seonbae ! I will protect you !
Get off me ! I am not her boyfriend !
Here I come !
Fine.. you are asking for it !

Ultimate skill "Lizard tale" ! I am counting on you ! Stop them as long as you can !

Count on me, seonbae !

You will not pass me !

Love shield forever !

You are single, too !

Betrayer !

Get this guy first !

Argh.
I am exhausted.
Probably not.
But how long
are we going
to be in here ?
They aren't going
to chase us into
here, are they ?
Until those
berserker are
gone.

So, do you like me ?
Whattt ?!
NO ! I WOULD NEVER !
Why were you stalking me then ?
I never do that ! Normally Today was just .. a coincidence.
So, we met in an alley by an accident.
I tend to take a walk in alleys, hahaha !
With a mask.
I DO NOT !!!
So ~, you do like me.

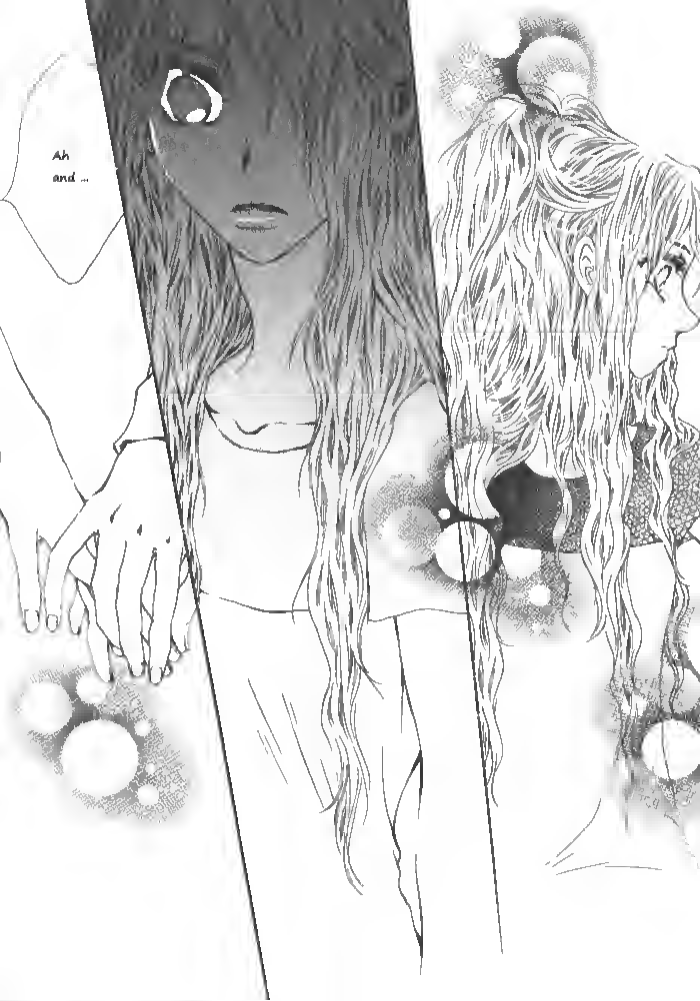
I was just passing by and saw you guys ... !
I just wanted to help !
I am not lying !
Ah, okay, okay
Why would I even bother .... !
Never, No, No, No, Never !
Stop shouting I get it, okay?
I've known that you have absolutely no interest in me. I was just playing with you. Why are you reacting so sensitively today ?
!!

When are they leaving anyway ? I am hungry
Not.
What ?
It's not that I don't have any interest in you.

You are having sexual thoughts about me ?
I never said that !
Are you saying ...
Why do you always do that ? You run mood all the time !
I am not. I am simply being honest to my own feelings Well, I am not forcing you
Anyway ~, are you sure you don't really have feelings for me ?

Ah ?
화아아악
Don't come any closer you damned whore ! I swear ! will kill you if you do !
Don't lough !
So, who likes who ?
I think both of us do like each other but I don't think we love each other

We know too much about each other to be lovers but know too much about each other to be just friends
Don't try too hard, Chean Pa
Let us be those who can rely on each other, be lovers at times be just friends at times.
That's why I like you



Ah
and ...

This hand
What does it mean to me ?
Friend
Lover
Family ...
Or ...
Simply a stranger ?

The End

Hello, this is S.M.D.M

It has taken two years for the last volume to be released.

I tried to refine it but in the end it come out literally untouched.

I really don't know how to apologize to the fans who waited 2 years

Really I should not have released...

Anyway if it weren't for those from my publishing company who come to my home personally, I would still be lingering on the last volume even now Thank you

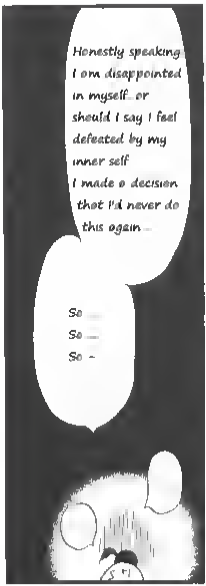
I know I am a kind of person who can't let go of stuff but didn't know that I'd drag it for this long

Ah... I still hear the complaints from fans from here.

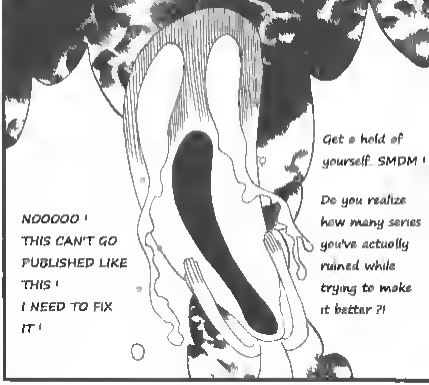
SMDM을 연재하라!!

몰려가고 싶다!!

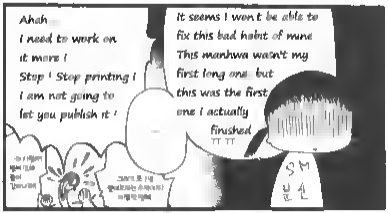
단독화 SMDM!



Honestly speaking I am disappointed in myself.. or should I say I feel defeated by my inner self
I made a decision that I'd never do this again..
So...
So...
So..



NOOOOO!
THIS CAN'T GO PUBLISHED LIKE THIS!
I NEED TO FIX IT!
Get a hold of yourself, SMDM!
Do you realize how many series you've actually ruined while trying to make it better?!



Ahah...
I need to work on it more!
Stop! Stop printing! I am not going to let you publish it!
It seems I won't be able to fix this bad habit of mine
This manhwa wasn't my first long one, but this was the first one I actually finished
